

**REMARKS**

By this Amendment, claims 33, 46, 106, 107, 110, and 111 have been amended to address minor informalities resulting from earlier amendments to claims from which they depend. No new matter has been added.

Additionally, claim 125 has been cancelled without prejudice or disclaimer as to the subject matter underlying this claim. In an exchange of telephone messages on February 14, 2007, Examiner Philogene indicated to Applicants' undersigned representative that the application would be in condition for allowance if claim 125 was cancelled. Applicants' representative returned the Examiner's call and left a message for the Examiner indicating that claim 125 could be cancelled by Examiner's amendment. A Notice of Allowance subsequently was mailed on April 4, 2007, but did not include an Examiner's amendment to cancel claim 125 (although the Notice of Allowability Form PTOL-37 did not mention claim 125). Applicants' representative discussed this with Examiner Philogene during a telephone conference on April 26, 2007, in which it was agreed that claim 125 would be cancelled by this amendment.

In the event the U.S. Patent and Trademark Office determines that an extension is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 23/2825 referencing docket no. C1104.70082US02.
